## HIBBERT TO MAKE FIRST CAREER SNOGROSS APPEARANCE IN UTAH

Goodridge, Minn. (Jan. 6, 2010) – Snocross champion, Tucker Hibbert, will make his first career snocross appearance in Utah at Saturday’s AMSOIL Championship Snocross Series (ACSS) Western National. The Rio Tinto Stadium’s soccer field near Salt Lake City is covered with snow and has been transformed into a battlefield for the best snocross racers in the world. Monster Energy/Arctic Cat’s Hibbert is recharged after a three-week break from racing and is ready to continue his unbeaten streak.

The four-time national champion and eight-time Winter X Games medalist has been virtually untouchable for nearly two years. Although Hibbert dominated the first two rounds of the ACSS tour, he spent his time “off” riding, testing and training in hopes of further perfecting his program.

Pro racing action begin Saturday afternoon with qualifying. Opening ceremonies are at 7 p.m. with main events to follow. Check out isocracing.com for a full schedule along with more details on the event.

### Tucker Hibbert - #68 Monster Energy/Arctic Cat

“I’m really excited about racing in Utah for the first time. Salt Lake City is an awesome city and it’s about time fans in the area will be able to see snocross racing first-hand. It’s great to be racing in the western part of the country where snowmobiling is such a popular sport.

The break was nice but it’s time to get back to racing. After having so much success at the first two rounds, I know I have a target on my back. It’s going to be intense racing but I’m confident I’m fully prepared to put my Monster Energy/Arctic Cat on-top of the box again!”
